

**INSTRUCTION SHEET FOR ROACHES, SILVERFISH,
HOUSE ANTS AND STORED FOOD PESTS**
ALL PESTICIDES WILL BE USED IN ACCORDANCE WITH MANUFACTURER'S LABEL

TO WHOM IT MAY CONCERN:

In order to give you the best possible service, with the least inconvenience to you, we would appreciate your cooperation of these instructions before and after our technician treats your premises. In the event that everything is not ready, another appointment will have to be made by the client, at an additional charge.

BEFORE

1. Remove all items from kitchen cupboards (lower and upper) dishes, pots, pans, glassware, foodstuff, canned goods, etc. Place them on a table and cover with a sheet. Take all drawers out and turn them upside down on a counter top.
2. If any items are left on the kitchen floor or adjacent areas, keep them at least three (3) feet from the wall (bare area).
3. Empty medicine cabinets, counter tops and all cabinets under bathroom sinks (towels, toilet tissue, medicines, etc.).
4. Any scrubbing or deep cleaning of cupboards, counters, walls or shelves should be done **BEFORE** treating occurs.
5. **NOTE:** All persons must vacate for 4 hours and until treated areas have dried. Persons with ailing health, pregnant or infants under a year must vacate for 24 hours and/or follow their doctor's advice.
6. Remove all pets for at least a four (4) hour period. Pet birds must be removed for twenty-four (24) hours.
7. Aquariums should be sealed off with plastic wrappings, and the filter turned off for a four (4) hour period.

AFTER

1. Upon returning to the premises, open windows for a short period of time. Thoroughly ventilating treated areas following application can reduce Potential odors.
2. Turn aquarium filter back on.
3. Wipe off **CENTER** of cupboards, counters or shelves with a moist cleaning rag.

NOTICE

State law requires that you be given the following information:

CAUTION-PESTICIDES ARE TOXIC CHEMICALS. Structural Pest Control Companies are registered and regulated by the Structural Pest Control Board, and apply pesticides that are registered and approved by the California Department of Pesticide Regulation and the United States Environment Protection agency. Registration is granted when the state finds that based on existing scientific evidence there are no appreciable risks if proper use Conditions are followed or that the risks are outweighed by the benefits. The degree of risk depends upon the degree of exposure, so exposure should be minimized.

If within 24 hours following application you experience symptoms similar to common seasonal illness comparable to the flu, contact your physician or Poison control center and Bug Stop Services Inc.

For further information contact any of the following: **BUG STOP SERVICES INC.** 310 782.2847 • 310 562.2847; Poison Control Center- 1-800 876-4766; for Health Questions-the County Health Department-(213) 240-8117; for Application Information-the County Agricultural Commissioner-(626) 575-5472; and for Regulatory Information-the Structural Pest Control Board-(800) 737-8188, 1418 Howe Avenue #18, Sacramento, CA 95825-3280
